Dimensions

Width 4.817 m	0.63 m corner to window	1.626 m corner to door 1
Depth 5.725 m (centre), 5.715 m at the west wall	Window width 1.843 m	Door 1: 1.053 m wide, height = 2.376 m
East wall 4.21 m	Window height = 2.228 m	0.795 m between the doors
Ceiling height -1 = 2.636 m	2.359 m window to opposite corner	Door 2: 0.949 m wide, height = 2.405 m
Ceiling height -2 = 2.791 m		

Remaining wall section

$4.817 - 1.626 - 1.053 - 0.795 - 0.949$
= 0.394 m

Between the right edge of door 2 and the east corner. The only calculated figure on the drawing.
